

Appl. No. 10/560,710  
Amdt. Dated July 2, 2007  
Reply to Office Action of April 2, 2007

**Listing of Claims:**

1. (original) An interconnect (1), comprising:  
  
one or more socket connectors (10) of a flexible textile construction (12); and  
  
one or more jack connectors (20),  
  
wherein said one or more jack connectors (20) are operatively connectable with  
said one or more socket connectors (10).
2. (original) The interconnect (1) of claim 1, wherein said one or more  
socket connectors (10) have one or more conductive contact areas (14).
3. withdrawn
4. (original) The interconnect (1) of claim 1, wherein said one or more  
socket connectors (10) are collapsible so as to be substantially unnoticeable when void.
